f. During the term of this Agreement, employees who are at or above the maximum step of their pay scale group at the time they become eligible for a service increment as outlined in Subsections a., b., c., and d., shall receive the annual amount of a two and one-quarter percent (2.25%) increase in the form of a one-time cash payment rounded to the nearest dollar.

Section 9.

a. When an employee covered by this Agreement is promoted to another classification in a higher pay scale group, the employee shall receive an increase of four steps for each pay scale group the employee is promoted or to the minimum of the new pay scale group, whichever is greater.

b. When an employee covered by this Agreement is demoted (including demotions occurring as a result of furlough bump or furlough recall) to another classification in a lower pay scale group, the employee shall receive a decrease of four steps for each pay scale group the employee is demoted or to the maximum of the new pay scale group, whichever is lesser.

If a written request is received prior to or within 45 days after the date on which the overtime is worked, the compensatory time off shall, subject to management's responsibility to maintain efficient operations, be scheduled and granted as requested by the employee. If the Employer does not schedule the compensatory time in accordance with the employee's request, or at some other time mutually agreed to, prior to the completion of the 120 calendar day period succeeding the date on which the overtime is worked, the employee shall be compensated at the appropriate rate of pay in lieu of paid time off.

Section 5. The provisions of this Article are not applicable to employees in job classes assigned to pay scale group 8 and above and identified as exempt from the overtime provisions of the Fair Labor Standards Act in the Commonwealth's pay plan.

For employees in the Department of Education covered by this agreement in job classes assigned to pay range 8 and above and identified as exempt from the overtime provisions of the Fair Labor Standards Act in the Commonwealth's pay plan, compensatory time off shall be granted hour for hour when the employee is assigned a work assignment outside of headquarters and/or required to travel for a work assignment outside of the employee's regularly scheduled work day; provided the compensatory time off has been pre-approved by the appropriate agency

Section 7. Payment for overtime is to be made on the payday of the first pay period following the pay period in which the overtime is worked.

Section 8. There shall be no duplication or pyramiding of any premium pay provided for under the provisions of this Agreement for the same hours worked. Amounts in excess of the maximum allowable amount will be paid to the employee in cash.

## ARTICLE 18 SHIFT DIFFERENTIAL

Section 1. A shift differential of \$1.00 per hour will be paid for any regular shift of 7 1/2 or 8 hours which begins before 6:00 a.m. or at or after 12:00 noon, provided the shift is worked.

ARTICLE 19  
HEALTH BENEFITS

Section 1. Pennsylvania Employees Benefit Trust Fund

a. A jointly administered, multi-union, health and welfare Fund has been established under the provisions of an Agreement and Declaration of Trust executed by and between the Union and the Employer. This jointly administered Fund is known as the Pennsylvania Employees Benefit Trust Fund (hereinafter Fund or PEBTF). The Fund shall conform to all existing and future Federal and Commonwealth statutes applicable to and controlling such Health and Welfare Fund. Said Agreement and Declaration of Trust shall provide for equal representation on the Board of Trustees appointed by the Unions and the Employer. In addition, the Agreement and Declaration of Trust will allow the Fund to provide benefits to management level and retired employees, as well as employees represented by other unions and other employers in the Commonwealth of Pennsylvania.

b. The Board of Trustees of the Fund shall determine in their discretion and within the terms of this Agreement and the Agreement and Declaration of Trust the extent and level of medical plan benefits, supplemental benefits and other benefits to be extended by the Fund.

c. The Employer shall contribute to the Fund the amounts indicated below on behalf of each permanent full-time employee eligible for benefits and covered by this Agreement effective on the first pay date in July of each fiscal year specified below:

The contributions for permanent part-time employees, who are eligible for benefits and expected to be in an active pay status at least 50% of the time every pay period, will be 50% of the above referenced rates.

d. The Employer shall make aggregate payments of Employer contributions together with an itemized statement to the Fund within one month from the end of the month in which the contributions were collected.

e. All benefits extended by the Fund must be designed to be excludable from the "regular rate" definition of the Fair Labor Standards Act, unless hereinafter required by federal law to be included.

f. No dispute over eligibility for benefits or over a claim for any benefits extended by the Fund shall be subject to the grievance procedure established in any collective bargaining agreement, except as otherwise specifically provided within this Article.

g. It is expressly agreed and understood that the Employer does not accept, nor is the Employer to be hereby charged with any responsibility in any manner connected with the determination of liability to any employee claiming any of the benefits extended by the Fund. It is expressly agreed that the Employer's liability, in any and every event, with respect to benefits extended by the Fund shall be limited to the contributions indicated under Subsection C. above.

Section 2. The provisions of Sections 3 through 7 shall be modified to the extent the medical plan benefits, supplemental benefits and other benefits as determined and extended by the Fund and/or the Retired Employees Health Program are modified for current and/or future employees and annuitants as provided for in Section 1 (employees) and/or Section 6 (annuitants) of this Article, respectively.

Section 3. The Fund shall continue to provide each permanent full-time active employee medical plan benefits, supplemental benefits and other benefits as determined and extended by the Fund. In addition, it shall provide dependency coverage where the dependents of the employee qualify. The Fund shall continue to provide permanent part-time employees who are expected to be in active pay status at least 50% of the time every pay period medical plan benefits, supplemental benefits and other benefits as determined and extended by the Fund. In addition, it shall provide 50% dependency coverage where the dependents of the employee qualify. Such employees shall contribute an amount determined by the Fund's Trustees toward the cost of coverage. Enrollment and continued coverage in Fund benefits is further subject to the following conditions:

a. Subject to the provisions of Section 3.b., employees will contribute a percentage of their biweekly gross base salary toward the cost of coverage as provided below:

July 2007 – June 2008	1.0%
July 2008 – June 2009	1.5%
July 2009 – September 2010	2.0%
October 2010 – June 2011	3.0%

Employee contributions shall be effective the first full pay period in July/October as applicable, of the period specified above. Biweekly gross base salary as used throughout this Article excludes premium or supplemental payments such as overtime, shift differentials, higher class pay, etc.

b. An employee will be eligible for an Employee Contribution Waiver if the employee and his/her qualifying dependents, as determined by the Trustees, participate in the Get Healthy Program as established from time-to-time by the Fund. In accordance with Section 1.b., the Fund shall be solely responsible for establishing all requirements and conditions of the Get Healthy Program, including rules and policies for the requirements for qualifying for the Employee Contribution Waiver and for making determinations regarding whether an employee and dependents have fulfilled the conditions for such Waiver.

The Employee Contribution Waiver will consist of a waiver of a portion of the

employee's required contribution to the cost of health care as a percentage of biweekly gross base salary as follows:

	<u>Waiver Amount</u>	<u>Employee contribution with Waiver</u>	<u>Employee contribution without Waiver</u>
July 2007 – June 2008	0.5%	0.5%	1.0%
July 2008 – June 2009	0.5%	1.0%	1.5%
July 2009 – September 2010	1.0%	1.0%	2.0%

Employee Contribution Waivers shall be effective the first full pay period in July/October as applicable, of the period specified above.

c. The parties agreed to an evaluation process with respect to the reserve levels of the Fund to determine if an employee contribution is necessary. Under this process, if the Fund's actuary certifies that a three (3) month reserve of projected claims and expenses has been achieved and will be maintained for at least six (6) months, the Trustees will evaluate whether employee cost sharing for employees hired before August 1, 2003, can be reduced or eliminated, provided that at no time shall any such reduction or elimination of cost sharing result in the reserve being reduced below the three (3) months of total projected claims and expenses. Should the Trustees, after evaluating the employee cost sharing, decide that contributions by employees hired before August 1, 2003 will be reduced or eliminated, the reserve will be reviewed on a six (6) month basis by the Fund's actuary. If the actuary certifies that the amount of the reserve has dropped below the three (3) month level, such contributions will resume immediately at the levels established in this Agreement, without any action on the part of the parties or the PEBTF Board of Trustees.

d.

(1) For the first six (6) months of employment, the employee will be offered single coverage in the least costly medical plan offered and available in his/her area, with no supplemental benefits. The employee may opt to purchase medical coverage for the employee's qualifying dependents in the same medical plan as the employee, and/or may opt to purchase a more costly plan in the area by paying the difference in cost between the least costly and the more costly plan, in addition to the employee contribution.

(2) After completing six (6) months of employment, the employee and his/her qualifying dependents will be eligible for coverage under the Fund's supplemental benefits, and the employee will be permitted to cover his/her qualifying dependents under the least costly medical plan at no additional cost. If a more costly medical plan is selected, the employee will be required to pay the cost difference between the least costly and more costly plan, in addition to the employee contribution.

(3) Nothing herein shall be construed to limit the authority of the Board of Trustees to modify or adopt these or other disability rules.

e. Only employees who elect to enroll for PEBTF coverage, including those who enroll only for supplemental benefits, are subject to the employee contributions in this Article. An employee who is only enrolled as a spouse of another PEBTF covered employee is not subject to any required employee contributions.

f. Employee contributions under this Article will be paid to the Fund on a biweekly basis as soon as is practicable using the Employer's standard methods for transferring money. The parties intend that these contributions will be submitted in a more accelerated manner than the Employer contributions. Any employee contributions made pursuant to this Article for the first full pay period in July 2004 and thereafter will be made on a pre-tax basis.

#### Section 4.

a. Permanent employees who are granted sick leave without pay (Article 11) parental leave without pay (Article 15), or family care leave without pay (Article 40) may continue to receive benefits as determined and extended by the Fund for up to six months. Permanent employees who are granted injury leave (paid and unpaid) may continue to receive benefits as determined and extended by the Fund for up to 12 months or, if only paid leave is used, beyond 12 months until the paid leave is exhausted.

b. Except as provided in c. below, permanent part-time employees and those permanent full-time employees who are placed on suspension or who are granted leave without pay for any reason other than sickness, parental leave, family care leave or injury leave for longer than one full pay period or who are on leave longer than the applicable period specified in a. above, will be permitted to continue coverage on a direct pay basis at a rate to be determined by the Fund but no greater than the COBRA rate.

c. Permanent full-time employees and permanent part-time employees who are eligible for benefits and who are regularly placed on leave without pay for one to three months every year due to cyclical work schedules or weather conditions will continue to receive benefits as determined and extended by the Fund for the period they are on leave. If the leave extends beyond the regular leave period, employees will be permitted to continue coverage on a direct pay basis at a rate to be determined by the Fund but no greater than the COBRA rate.

d. The Employer shall continue to make full contributions to the Fund for permanent full-time employees for the period of time for which they are entitled to benefits under Subsection a. or c. and 50% contributions for permanent part-time employees for the period of time for which they are entitled to benefits under Subsection a. or c.

e. The continuation of benefits under this Section is subject to the employee's payment of any required employee contribution under Section 3.

Section 5. Spousal Eligibility

a. For employees hired on or after August 1, 2003: If the spouse of an employee is covered by any PEBTF health care plan, and he/she is eligible for coverage under another employer's plan(s), the spouse shall be required to enroll in each such plan, which shall be the spouse's primary coverage, as a condition of the spouse's eligibility for coverage by the PEBTF plan(s), without regard to whether the spouse's plan requires cost sharing or to whether the spouse's employer offers an incentive to the spouse not to enroll.

b. For employees hired before August 1, 2003: Effective October 1, 2003, if the spouse of an employee covered by any PEBTF health plan also is eligible for coverage under another employer's plan(s), the spouse shall be required to enroll in each such plan, provided that the plan in question does not require an employee contribution by the spouse or the spouse's employer does not offer an incentive to the spouse not to enroll. Once covered by another employer's plan, that plan will be the spouse's primary coverage, and the PEBTF plan will be secondary.

c. Nothing herein shall be construed to limit the authority of the Board of Trustees to modify or adopt these or other spousal eligibility rules.

Section 6.

a. The Employer shall allow each individual who was eligible as an active employee under the Fund's health benefits plan to elect coverage upon retirement under the Retired Employees Health Program (hereinafter REHP). In addition, dependency coverage shall be allowed where the dependents of the annuitant qualify under such Program.

b. Employees who retire on or after July 1, 2007, and who elect REHP coverage, shall be eligible for the medical and prescription benefits in effect for active employees, provided that the Employer will modify the REHP plan of benefits from time-to-time to conform to the medical and prescription benefits in effect for the active employees. Annuitants who are eligible for Medicare will participate in Medicare supplemental medical plans, and those annuitants who are eligible to enroll in Medicare Part B will not receive benefits through the REHP for benefits which are provided by Medicare Part B. It is understood that the REHP plan of benefits may be amended or modified by the Employer from time-to-time.

c. Employees who retire on or after July 1, 2007, and elect REHP coverage shall be required to contribute to the cost of coverage. The annual retiree contribution rate shall be a percentage of the employee's final annual gross salary at the time of retirement from State service equal to the active employee contribution rate in effect on the date of retirement, and will be payable monthly at the rate of one-twelfth of the annual retiree contribution rate. The annual retiree contribution rate shall change thereafter in accordance with the percentage of the active employee contribution rate.

d. The REHP is developed and administered in a cost effective and beneficial manner by the Fund, subject only to the prior approval of the Office of Administration and in

accordance with the terms and conditions of the REHP Participation Agreement between the Employer and the Fund.

e. The Employer shall continue to pay the cost of coverage, subject to the required retiree contribution rates, for annuitants who retire under (1), (2), (3), (4) or (5) below and who have elected REHP coverage:

(1.) Retirement at or after superannuation age with at least 15 years of credited service (20 years of credited service if retired on or after July 1, 2008) in the State and/or Public School Retirement Systems, except that

(a.) an employee who leaves State employment prior to superannuation age and subsequently retires at or after superannuation age must have 25 years of credited service in the State and/or Public School Retirement Systems,

(b.) an employee who is furloughed prior to superannuation age and subsequently retires at or after superannuation age during the recall period must have 15 or more years of credited service (20 or more years of credited service if retired on or after July 1, 2008) in the State and/or Public School Retirement Systems,

(c.) an employee who leaves State employment prior to superannuation age and is subsequently rehired and then retires at or after superannuation age must have 15 or more years of credited service (20 or more years of credited service if retired on or after July 1, 2008) in the State and/or Public School Retirement Systems with at least three years of credited service from the most recent date of reemployment. However, if the departure from State employment was due to furlough and the employee returns during the recall period, this three year requirement will not apply. If the employee had qualified, other than through disability retirement, for Employer paid coverage in the REHP prior to the most recent rehire period, this three year requirement will not apply,

(d.) an employee who leaves State employment subsequent to superannuation age and is subsequently rehired and then retires must have 15 or more years of credited service (20 or more years of credited service if retired on or after July 1, 2008) in the State and/or Public School Retirement Systems with at least three years of credited service from the most recent date of reemployment. However, if the departure from State employment was due to furlough and the employee returns during the recall period, this three year requirement will not apply. If the employee had qualified, other than through disability retirement, for Employer paid coverage in the REHP prior to the most recent rehire period, this three year requirement will not apply.

(2.) Disability retirement, which requires at least five years of credited service in the State and/or Public School Retirement Systems, except that, if an employee had previously qualified based on an approved disability retirement, then returns and retires under a normal or early retirement, he or she must retire at or after superannuation age with 15 or more years of credited service (20 or more years of credited service if retired on or after July 1, 2008) in the State and/or Public School Retirement Systems or 25 years of credited service in the State and/or

Public School Retirement Systems or

(3.) Other retirement with at least 25 years of credited service in the State and/or Public School Retirement Systems, except that an employee who leaves State employment, is subsequently rehired and retires must have at least 25 years of credited service in the State and/or Public School Retirement Systems with at least three years of credited service from the most recent date of reemployment. However, if the departure from State employment was due to furlough and the employee returns during the recall period, this three year requirement will not apply. If the employee had qualified, other than through disability retirement, for Employer paid coverage in the REHP prior to the most recent rehire period, this three year requirement will not apply.

4. All employees who have at least 15 years of credited service as of June 30, 2008, or who have 13 years of credited service and are within one year of superannuation age as of June 30, 2008, whether it has been purchased as of that date or eligible to be purchased as of that date, shall be eligible to elect REHP coverage upon reaching superannuation age with 15 years of credited service rather than 20. The three-year rehire rule will not apply to such employees.

5. For purposes of eligibility for REHP coverage under this Section, credited service earned on or after July 1, 2007, will be limited to service as a Commonwealth employee which otherwise counts as credited service under the State and/or Public School Retirement, TIAA-CREF or other approved retirement systems' rules in effect from time to time. Employees hired on or after July 1, 2007 who have earned credited service under the State and/or Public School Retirement, TIAA-CREF or other approved retirement systems' rules with another employer will not have that service counted for purposes of eligibility for REHP coverage, unless they were employed by the Commonwealth prior to July 1, 2007. If it is determined by the State and/or Public School Retirement Systems that a Commonwealth employee is eligible for additional credited service for military service, such credited service will be included in the determination of eligibility for REHP coverage. The phrase "Commonwealth employee" shall be limited to service earned through an employing agency eligible to participate in the Commonwealth's Life Insurance Program.

Section 7. When an employee dies as a result of a work-related accident, the Fund shall continue to provide medical plan benefits and supplemental benefits, as determined and extended by the Fund, to the spouse and eligible dependents of the employee until the spouse remarries or becomes eligible for coverage under another employer's health plan. Annual certification of non-coverage will be required.

The medical plan benefits and supplemental benefits will be converted to the REHP at the time when the employee would have reached age 60.

Section 8. In the event that comprehensive healthcare legislation is passed, the parties agree to meet and discuss the impact, if any, of such legislation on the existing active and annuitant health care programs.

ARTICLE 20

The Employer shall continue to provide each employee who is covered under the currently-existing life insurance plan with fully-paid accidental death benefits for work-related accidental deaths. The amount of coverage is \$25,000, unless the surviving spouse or minor children are entitled to benefits under Act 101 of 1976.

ARTICLE 21

Any additional costs involved in such use must be paid for by the Federation.

Section 5. The Employer will provide a reasonable number of employees with time off, without loss of pay, to attend negotiating meetings, labor-management meetings and meet-and-discuss sessions.

Section 6. A copy of any notice, directive, or bulletin relating to any bargaining unit employee shall be made available on request of the Federation. No such notice, directive or bulletin shall be denied to the Federation for reason that salary or related salary information is shown thereon.

Section 7. A copy of this Agreement shall be offered to each employee covered by this Agreement who commences services with the Commonwealth after the date of execution of the Agreement, provided the employing agency has been furnished sufficient copies for this purpose by the Federation.

Section 8. Employees who are elected or appointed as Federation officials or representatives shall at the written request of the employee be granted leaves without pay for the maximum term of office. Such leaves may be renewed or extended by written mutual consent of the Federation and

the Employer. The parties hereto agree that employees, upon returning to work after such leave, shall be offered their former position or a job of similar nature and at the same pay scale group.

## ARTICLE 22 GRIEVANCES AND ARBITRATION

Section 1. Where an employee has the right to process a grievance through either the procedure provided herein or through the Pennsylvania Civil Service Commission and files an appeal with the Commission, either the contract grievance procedure shall cease, if the employee has submitted a contract grievance, or the employee shall not be entitled to institute proceedings under the contract grievance procedure. If the appeal to the Commission is withdrawn by the employee or not accepted by the Commission within 15 working days of the date of the occurrence of the action giving rise to the grievance, the processing of a contract grievance filed within the time limits set forth in Section 2 shall be permitted. Additionally, if the appeal to the Commission is not accepted outside the time limits prescribed in Section 2 of this Article, the employee shall be entitled to institute proceedings under the contract grievance procedure within fifteen (15) working days of the date of the Commission's denial of appeal. Any grievance appealed outside the fifteen (15) working day limit shall be considered untimely filed.

Section 2. Any grievance or dispute which may arise concerning the application, meaning or interpretation of this Agreement shall be settled in the following manner:

Step 1. The grievant shall present the grievance orally or in writing to the immediate supervisor within 15 working days after the date of the occurrence giving rise to the grievance or within 15 working days after the date on which the grievant learned or reasonably should have learned of such occurrence, whichever is later. The immediate supervisor shall attempt to resolve the matter and report a decision to the grievant within 15 working days after its presentation. Grievances presented in writing shall be answered in writing.

Step 2. In the event the grievance is not settled at Step 1, it may be appealed in writing to the head of the division or bureau within 15 working days after the immediate supervisor's response is due. Upon receipt of appeal, the official receiving the appeal shall, within 15 working days, meet with the complainant, if any, and the Federation Representative in an effort to adjust the matter to the satisfaction of all concerned. Within 15 working days after the meeting, the official shall communicate a decision in writing to the complainant, if any, the Federation Representative and the immediate supervisor.

Step 3. An appeal from an unfavorable decision at Step 2 shall be presented in writing to the department or commission head within 15 working days after the response from Step 2 is due. The department or commission head, labor relations coordinator or labor relations officer shall communicate a decision in writing to the Federation President within 15 working days after receipt of the appeal. A meeting shall be held if requested by

either party to make an effort to adjust the matter to the satisfaction of all concerned. The written appeal shall identify the provisions of the Agreement in dispute, the department and employee involved, and shall include a copy of the grievance and all prior responses. The grievance shall not be amended after the third step of this procedure. An employee shall be required to submit a current job description for appeals submitted under the provisions of Section 1, Article 34.

Step 4. An appeal from an unfavorable decision at Step 3 shall be presented in writing to the Bureau of Labor Relations, Office of Administration within 15 working days after the response from Step 3 is due. If either party believes a grievance meeting might serve to resolve the dispute, that party shall request a grievance meeting and, upon mutual agreement, the parties shall meet to discuss the grievance. The Bureau of Labor Relations shall issue a decision in writing to the Federation President within 15 working days after either receipt of the appeal or after the meeting, if one is held.

Step 5. An appeal from an unfavorable decision at Step 4 may be initiated by the Federation only within 15 working days after the response from Step 4 is due, serving upon the Bureau of Labor Relations, Office of Administration a notice in writing of the intent to proceed to arbitration.

The arbitrator is to be selected by the parties jointly within seven working days after the notice has been given. If the parties fail to agree on an arbitrator, or if no selection is made within the specified time, either party may request the Bureau of Mediation to submit a list of seven possible arbitrators.

The parties shall within seven working days after the receipt of said list meet for the purpose of selecting the arbitrator by alternately striking one name from the list until one name remains. The Employer shall strike the first name.

Each case shall be considered on its merits and the collective agreement shall constitute the basis upon which the decision shall be rendered. The arbitrator shall neither add to, subtract from, nor modify the provisions of this Agreement. The arbitrator shall be confined to the precise issues submitted for arbitration and shall have no authority to determine any other issues not so submitted.

The decision of the arbitrator shall be final and binding on both parties, except where the decision would require an enactment of legislation, in which case it shall be binding only if such legislation is enacted. The arbitrator shall be requested to issue a decision within 30 days after the hearing or receipt of the transcript of the hearing.

All fees and expenses of the arbitrator shall be divided equally between the parties except where one of the parties of this Agreement requests a postponement of a previously scheduled arbitration meeting which results in a postponement charge. The postponing party shall pay such charge unless such postponement results in a settlement of the grievance in which event the postponement charge shall be divided equally between the parties. A postponement charge resulting from a joint postponement request shall be shared equally by the parties. Each party shall

bear the costs of preparing its own case. Either party desiring a record of the proceedings shall pay for the record and make a copy available without charge to the arbitrator.

Section 3. If a decision is not made under the time limits set forth in Steps 1 through 4 by the appropriate Employer representative, then the grievance shall be deemed to be denied and the employee or the Federation may proceed to the next step. In the event the employee or the Federation does not meet the time requirements established in Steps 1 through 5, the last decision made by the Employer representative shall be deemed final.

All the time limits contained in Section 2 may be extended by mutual agreement, but must be made in writing. The granting of any extension at any step shall not be deemed to establish a precedent.

Section 4. A grievance based on the action of authority higher than the immediate supervisor shall be initiated at that step of this grievance procedure. The general procedures relating to that step shall apply to the presentation and adjustment of the grievance, including the right of appeal.

Section 5. An employee desirous of having representation shall be permitted to have only Federation representation present at each step of the grievance procedure.

The Federation shall furnish the Employer with the names and work locations of grievance representatives and shall notify the Employer of any change.

An aggrieved employee and Federation representative if employees of the Employer, shall be granted reasonable time during working hours, if requested, to present the grievance at the steps set forth under Section 2 without loss of pay or leave time.

Section 6. Federation representatives shall be permitted to investigate and discuss grievances during working hours on the Employer's premises if notification is given to the human resource officer or designated representative. If the Federation representative is an employee of the Employer, the representative shall request from the immediate supervisor reasonable time off from regular duties to investigate and present such grievances.

Section 7. Conferences and hearings held under this grievance procedure shall be scheduled at a time and place which will afford a fair and reasonable opportunity for the grievant, the Federation Representative and witnesses to attend. Hearings scheduled for suspension cases shall be held at a location mutually agreed upon by the parties.

Section 8. Nothing in this Article shall interfere with the rights of individual employees or groups of employees to present grievances and to have them adjusted in accordance with the provisions of Section 606 of the Public Employe Relations Act.

Section 9. The Federation shall have the right to initiate or appeal a grievance at the appropriate step of this procedure.

Section 10. The decision at Steps 1, 2, and 3 shall not be used as a precedent for any subsequent case.

Section 11. A grievance or dispute which may arise concerning the enforcement or application of a rule, regulation, policy, practice, and/or procedure relating to wages, hours, terms and conditions of employment of an employee in this unit which has been issued by an agency or department or by the Executive Board or the Office of Administration may be processed through the grievance procedure, provided, however, the decision at Step 3 shall be final and binding as to a rule, regulation, policy, practice and/or procedure issued by a department or agency and the decision at Step 4 shall be final and binding as to a rule, regulation, policy, practice and/or procedure issued by the Executive Board or Office of Administration.

### ARTICLE 23 TRAVEL EXPENSES

Section 1. Travel expenses shall be paid in accordance with the Commonwealth's existing Travel Expense Regulations. The mileage allowance shall be the General Services Administration rate. If the General Services Administration of the Federal Government increases or decreases the mileage allowance for employees under its jurisdiction, the mileage allowance for employees under this Agreement will be increased or decreased on the effective date of the General Services Administration change.

Section 2. Employees who are required by the Employer to travel 15 miles or more from their regular office worksite and whose work assignment requires they remain away from said office worksite during their normal lunch period, shall be reimbursed for out-of-pocket lunch expenses not to exceed \$3.50 including sales tax.

Section 3. Except as herein provided, the Commonwealth Travel Expense Regulations will govern. The Employer agrees to meet with the Federation at the Office of Administration and the agency level to discuss changes to the Commonwealth Travel Expense Regulations and their implementation at the agency level.

Section 4. The Employer's Corporate Card Program shall apply to employees in this unit and be administered in accordance with the side letter dated June 14, 1999.

Section 5. If action of the Executive Board of the Commonwealth increases the subsistence or lodging allowances during the term of this Agreement, such increased allowances will automatically accrue to employees of this bargaining unit upon the date such increased allowances are to become effective as the result of Executive Board action.

ARTICLE 24  
SENIORITY

Section 1. For the purpose of this Article, the term "seniority" means length of continuous service within this bargaining unit.

Section 2.

a. For employees having continuous employment with the Commonwealth prior to the establishment of the bargaining unit, (February 21, 1973) "continuous service", as used in Section 1 of this Article, shall include length of continuous service in any and all classifications which were certified to this bargaining unit including classifications for which titles were changed, or merged with continuing job titles which subsequently were certified to this bargaining unit.

b. Seniority credit for each employee is maintained as a total number of days. Employees will then accrue seniority in accordance with the following procedure:

The number of regular hours paid each biweekly pay period plus the number of hours of military leave without pay, leave without pay for union business in accordance with Article 11, Section 7; leave without pay for work-related injuries in accordance with Article 30; sick leave without pay in accordance with Article 11, Section 3; parental leave without pay in accordance with Article 15, Section 2 and Family Care Leave Without Pay in accordance with Article 40 will be accumulated. This total number of hours will be divided by 7.5 or 8.0 as applicable and rounded up to the next highest day. The result will be added to the employee's accumulated total.

Section 3. The following shall constitute a break in continuous service: resignation, separation for just cause, retirement, acceptance of other permanent employment while on leave, expiration of recall period, and acceptance of Commonwealth employment outside the classifications of the Educational and Cultural employee unit. If continuous service is broken by any of the above, the employee shall lose bargaining unit seniority for purposes of this Article. If the employee is returned within one year after such break in service, the employee shall be entitled to that seniority accrued up to that point in time when the break in service started, but shall not be entitled to any credit for the time represented by such break in service. Employees who are furloughed and who file applications for retirement benefits which are subsequently approved, will be considered to have a break in service as of the date of the approval of benefits by the State Employees' Retirement Board. Seniority unit means that group of employees in a classification within an affected institution, bureau, agency or department operational structure as listed in Appendix E.

A furloughed employee who applies for and receives retirement benefits from the State Employees' Retirement Board shall forfeit all recall rights as of the date of approval of benefits by the State Employees' Retirement System.

Section 4. Seniority unit means that group of employees in a classification within an affected institutional, bureau, agency or department operational structure as listed in Appendix E. A seniority list, for each seniority unit, as listed in the attached Appendix E, in the order of descending

seniority, shall be prepared and revised, where necessary, every six months. Such lists shall be posted on the appropriate bulletin boards, and a copy shall be provided directly to the Federation at the time of posting. A seniority unit listed in Appendix E may be renegotiated at the request of either party. If agreement is not reached, either party may submit a request for arbitration.

Section 5. When the Employer determines that a furlough is necessary and there is no proof of military service in an employee's personnel file, the Employer shall not be held liable for any pay or benefits for any affected employees for a period of 30 days after the notice has been provided. Applicable periods are:

- (1) World War I - April 6, 1917-November 11, 1918
- (2) World War II - December 7, 1941-September 2, 1945
- (3) Korea - June 25, 1950-July 27, 1953
- (4) Vietnam - August 5, 1964-January 28, 1973

Section 6. When the Employer determines that a furlough affecting this bargaining unit is necessary, the Employer will give a one month advance written notice to the Federation, except where circumstances would not permit it. Thereafter, at the Federation's request, the Employer and the Federation will have continuing discussions concerning the layoff or furlough as more information becomes available. Layoffs or furloughs of employees in this unit shall be accomplished in the following manner:

- a. Within a class, or, if there are parentheticals, then within the parentheticals in the class, within the seniority unit in the inverse order of seniority as defined in Section 1 of this Article.
- b. If there is a lower class in the classification series, the affected employee shall bump back within the classification series within the seniority unit provided the employee has the requisite seniority, and meets the requirements for the position at the time of the furlough.
- c. If the affected employee is unable under Subsections a. and b. above to bump into a position, they may bump laterally or down into any classification previously held within the seniority unit. If such a bump is still not available, the employee shall bump into any other lower classification of the classification series of the position previously held using the same procedure.
- d. If the affected employee is unable to exercise a bump in Subsections a., b. or c. they may, if their current classification is contained in Appendix F, bump the least senior Basic Education Associate 1 within the seniority unit provided they have the requisite seniority, skill and ability. If they are unable to exercise the bump within the Basic Education Associate 1 class, then they may bump the least senior Education Administration Specialist in the seniority unit provided they have the requisite seniority, skill and ability. If they are unable to bump the least senior Education Administration Specialist in the seniority unit, then they may bump the least senior Education Administration Associate in the seniority unit provided they have the requisite seniority, skill and ability. If the affected employee's

classification is contained in Appendix F and they are unable to bump under Subsections a., b., c., or d. then they will be furloughed.

e. If the affected employee's classification is contained in Appendix G and they were unable to bump under Subsections a., b., and c. of this Article, they may bump the least senior Education Administration Specialist in the seniority unit provided they have the requisite seniority, skill and ability and the bump does not result in a promotion. If unable to bump into the Education Administration Specialist class, then they may bump the least senior Education Administration Associate provided they have the requisite seniority, skill and ability.

If the affected employee whose classification is in Appendix G is unable to bump under Subsections a., b., c., or e. then they will be furloughed.

f. If the affected employee's classification is contained in Appendix H and they were unable to bump under Subsections a., b., and c. of this Article, they may bump the least senior Education Administration Associate in the seniority unit provided they have the requisite seniority, skill and ability. If the affected employee whose classification is in Appendix H is unable to bump under Subsections a., b., c., or f., then they will be furloughed.

g. The procedures for bumping must be followed in the order set forth in a. through f. above. That is, no person may proceed to a subsequent step in this bumping procedure if they are able to secure a bump under the preceding step. In addition, no person shall secure a position with a higher pay scale group as a result of the implementation of this Section.

h. Employees who secure a bump into the Education Administration Specialist or Educational Administration Associate class as a result of procedures d. through f. above will be required to serve a three-month probationary period during which time the provisions of Article 35, Section 1, shall not apply; that is, the Employer shall not be required to show just cause for removal during such probationary period. Employees who are removed during this probationary period shall retain recall rights under Section 8 of this Article and be treated as furlougees from their original position. If the Employer decides to fill a position which has become vacant as a result of a removal during this probationary period, it shall be filled in accordance with Section 8 of this Article.

Section 7. In any class within the unit affected by layoffs or furloughs, all emergency, temporary and provisional employees shall be laid off or furloughed before any other employee.

Section 8. The Employer shall establish a preference list by seniority unit for those persons who have been furloughed or laid off under the provisions of Section 6 of this Article in the inverse order of such layoff or furlough. The list shall remain in effect for a period of three years and shall be used in the order of seniority to fill vacancies within a classification or a lower classification within the series from which the persons on the preference list may have been furloughed or laid off. In the event a person refuses an offer of recall to a position classification from which

furloughed or laid off, the employee shall be dropped from further consideration for recall. Refusal of a position having a lower pay scale group shall not affect the employee's place on any preference list.

a. During the period that an employee is on a recall list, the employee shall keep the Employer informed of any changes in address.

b. The recall period of a furloughed employee who, during the recall period, returns to the furloughing agency's payroll in a temporary capacity shall be extended by the amount of time the employee serves in the temporary capacity.

c. A furloughed employee who, during a recall period, returns to the Employer's payroll in a temporary capacity shall upon recall from the furlough to permanent employment be credited with seniority for the amount of time spent in the temporary capacity.

d. A furloughed employee who, during a recall period, returns to the Employer's payroll in a temporary capacity shall be eligible for all benefits enjoyed by permanent employees, provided other applicable eligibility requirements are met.

e. A furloughed employee who applies for and receives retirement benefits from the State Employees' Retirement Board shall forfeit all recall rights under this Section as of the date of the approval of benefits by the State Employees' Retirement Board.

Section 9. In the event of a furlough affecting employees currently (for the intent of this Article, currently means at the time of furlough) in the meet and discuss unit but who formerly occupied a classification within this bargaining unit, such employees shall first bump into the classification within the seniority unit occupied immediately prior to leaving this bargaining unit, or if such a bump is not available, then into any lower classification in the same classification series, provided in both situations above that the classification is within the same seniority unit in which the furlough is occurring and provided that the employee has more bargaining and meet and discuss seniority than the employee with the least amount of bargaining unit seniority in that classification and meets the existing requirements for the position at the time of the furlough, and provided that the employee has not had a break in service as defined in Section 3 since leaving the bargaining unit. Bargaining unit seniority previously earned shall accrue to the employee upon return to the bargaining unit. Seniority earned by the employee while in the meet and discuss unit shall accrue to the employee upon movement back to the bargaining unit.

Section 10.

a. The subject of class series for bumping purposes for positions certified to this unit may be discussed by the Federation in any agency where employees are covered by this Agreement through meet and discuss sessions as defined by Section 301 (17) of Act 195 and may apply to any agency.

b. In the event of an agreement concerning a class series for bumping purposes which

supplements, but would not supplant, the provisions of Section 5 of this Article, such agreement shall be reduced to writing and shall be subject to approval of the Office of Administration. Any agreement concerning class series for bumping purposes shall apply to this Agreement and shall terminate on the termination date of this collective bargaining agreement.

Section 11. For the purpose of layoff and furlough only, superseniority shall be granted to no more than a total of twenty-two (22) rank and file and first level supervisory Federation officers which may include the Executive Board and the Grievance Chairperson.

The Federation will provide the Bureau of Labor Relations with changes to the list of employees to be granted superseniority on a quarterly basis - January 1, April 1, July 1 and October 1.

Effective the date the furlough is announced the number of Federation officers within each affected agency who have been accorded superseniority shall remain unchanged until the furlough is executed.

The Federation may within five (5) working days following the announcement of a furlough notify the Commonwealth of any changes of incumbents to those positions. Changes to the list which are submitted after the five day period will not be considered in that furlough unless those changes are made pursuant to the provisions of Paragraph 2, above.

Section 12. A joint committee, composed of representatives from the Federation and the Commonwealth shall be established with the intent of reviewing furlough procedures for this bargaining unit.

## ARTICLE 25 POSTING OF VACANCIES

Section 1. The Employer agrees to post, at appropriate work locations, unit vacancies that are to be filled at least 15 working days prior to the filling of vacancies unless an emergency requires a lesser period of time. The notice shall include the title of the job, pay scale group, work location, qualifications and the person to whom application should be made.

Section 2. For informational purposes only, the Employer agrees to post management level vacancies except those being filled by non-competitive promotions without examination of classifications within this unit, by agency, that are to be filled. The Employer will simultaneously forward to the Federation representative (name and address to be supplied by the Federation) a copy of the posting.

ARTICLE 26  
PERSONNEL RECORDS

Section 1. Employees shall have the right to review and make copies of the contents of their own personnel file(s) maintained at the appropriate agency. Privileged information such as confidential credentials and related personal references normally sought at the time of employment may be exempted from such review.

Section 2. No material derogatory to an employee's conduct, service, character or personality shall be placed in the files unless the employee has had an opportunity to read the material. Employees shall acknowledge that they have read the material by affixing their signature on the material to be filed, with the understanding that such signature merely signifies that the employee read the material and does not indicate agreement with its content. Material not brought to the employee's attention within 10 work days after its receipt by the immediate supervisor or other appropriate official shall not be placed in the file. Any anonymous material placed in an employee's files shall be removed therefrom.

Section 3. The employee shall have the right to answer any material filed and that answer shall be attached to the filed material.

Section 4. Only those personnel who have an official right and reason for doing so may inspect an employee's files.

Section 5. Employees may request removal of material from their file when they have proved such material to be untrue and have recourse to the grievance procedure should a question arise as to the validity of the proof offered by the employee. It is understood that this Section does not apply to anything contained in a performance evaluation.

Section 6. Administrators shall be encouraged to place in the employees' files information of a positive nature indicating special competencies, achievements, performances or contributions of an academic, professional or civic nature. Any such materials received from an outside, competent responsible source may also be included in the employee's file.

Section 7. If the official personnel file is subpoenaed in accordance with law, the custodian of the record will notify the employee upon receipt of the subpoena. Should the custodian be otherwise unable to contact the employee, the employee shall be notified in writing.

Section 8. The personnel file shall not contain adverse records unrelated to Commonwealth employment or of unfounded charges or complaints which could adversely affect the employee's employment or career. After a two-year period, a written reprimand or reference to an oral reprimand shall be removed from the employee's official personnel folder if no intervening incidents of the same or a similar nature have occurred.

ARTICLE 27  
UNEMPLOYMENT COMPENSATION

Employees shall be eligible for unemployment compensation benefits as provided by law.

ARTICLE 28  
HEALTH AND SAFETY

Section 1. The Employer will take positive action to assure compliance with laws and regulations concerning the health and safety of employees working in state-owned or leased buildings and to assure compliance with all lease provisions affecting the safety and health of employees.

Section 2. The Employer agrees to establish a health and safety committee at each worksite. Multi-agency committees may be established by mutual agreement. The purpose of the committee shall be to investigate present or potential safety hazards and security problems and to make recommendations for corrective actions. Unless otherwise agreed by the parties, the committees shall meet once quarterly unless a clear and present danger situation warrants a special meeting. Federation representatives on the committee shall be given a reasonable amount of time during working hours to investigate safety and health hazards brought to the committee and to serve on this committee. Federation representatives on health and safety committees will be given consideration to attend safety training in accordance with the provisions of Article 11, Section 7.

Section 3. The Employer agrees to inform the local Federation, as soon as possible, when representatives of the Bureau of Occupational and Industrial Safety, Department of Labor & Industry, or other state or federal agencies involved in the establishment or enforcement of laws concerning or affecting the health and safety of employees working in state-owned or leased buildings are on the premises for an inspection. A designated Federation representative located on the premises shall be allowed to accompany such representatives on inspection tours of the work site to point out deficiencies, without loss of pay or leave time. In addition, when the Employer is aware of the presence of representatives of such regulatory agencies who are at the work site for the purpose of safety inspections, the Employer agrees to inform the local Federation.

Section 4. The Employer will not assign employees to any work area in any building owned or leased by the Commonwealth while there is clear and present danger to their safety and such a danger is not an anticipated part of the normal and expected responsibilities and risks of the job in question.

Section 5. The Employer will take appropriate action to protect its employees from injury while at work. Where clear and present hazardous conditions exist at a work site, the Employer shall post appropriate warning signs and take immediate action to abate the hazard.

Section 6. Upon request, the Employer shall provide the Federation with information concerning the use of materials at the work site. This information shall include known data

regarding chemical composition and side effects, and what protective measures, if any are necessary, have been taken.

Section 7. Upon written request, the Federation shall be provided with copies of statistical reports concerning work-related accidents.

Section 8. If an employee experiences an exposure as defined in Act 148 to an inmate's blood and body fluid, the employee and the Employer shall follow the procedures outlined in Act 148 of 1990. If such procedures require an employee to attempt to obtain a court order to obtain the HIV status of the inmate, the Employer shall reimburse reasonable attorney's fees unless the Employer determines that the attempt to obtain the court order is without merit. An employee may utilize the grievance procedure to challenge the Employer's denial of reasonable attorney's fees.

Section 2. Employees referred to in Section 1 shall only be entitled to those fringe benefits presently received subject to any modifications to those specific fringe benefits provided for in this Agreement. If prior fringe benefits were prorated, the modifications to those fringe benefits shall likewise be prorated. No additional fringe benefits shall accrue by virtue of the provisions of this contract.

## ARTICLE 30 WORK-RELATED INJURIES

Section 1. An employee who sustains a work-related injury during the period of this Agreement as a result of which the employee is disabled, if so determined by a decision issued under the operation of the Workers' Compensation program, shall be entitled to use accumulated sick, annual, or personal leave or injury leave without pay. While using accumulated leave, the employee will be paid a supplement to workers' compensation of full pay reduced by an amount that yields a net pay, including workers' compensation and social security disability benefits, that is equal to the employee's net pay immediately prior to the injury. Net pay prior to injury is defined as gross base pay minus federal, state, and local withholding, unemployment compensation tax, social security and retirement contributions. One full day of accumulated leave (7.5 or 8 hours as appropriate) will be charged for each day the supplement is paid. Accumulated leave and injury leave without pay may be used for an aggregate of 12 months or for the duration of the disability, whichever is lesser, except that, if only accumulated leave is used, it may be used beyond 12 months until exhausted or until the disability ceases, whichever occurs sooner. In no case, however, will the aggregate of 12 months extend beyond three years

from the date the injury occurred. If no leave is available under this Section, the provisions of Section 12 may apply.

For temporary employees, accumulated leave and injury leave without pay shall be available for an aggregate of up to 12 months, for the duration of the disability or for the scheduled duration of the temporary employment, whichever is the least. In no case, however, will the aggregate of 12 months extend beyond three years from the date the injury occurred.

The employee election to use or not use accumulated leave under this Section cannot be changed more than once.

Section 2. An employee who works a reduced number of hours (part-time) due to partial disability may use leave in accordance with Section 1. Pay for accumulated leave used will be calculated in accordance with Section 1, based on the net amount of lost earnings.

Section 3. Retirement credited service for the period of time that the employee is using leave under this Article, shall be determined in accordance with the State Employees' Retirement Code.

Section 4. At the expiration of the leave under Section 1, if an employee continues to receive workers' compensation, the employee will be placed on leave without pay in accordance with Section 7 below and will not be entitled to receive state-paid coverage for life insurance and state payments toward coverage for health benefits.

Section 5. An employee is required to refund to the Employer the amount of any overpayment. In no case shall an employee be entitled to full pay and workers' compensation and/or social security for the same period. The Employer shall recover any amount in excess of the paid supplement to workers' compensation as described in Section 1. Failure to apply for or report social security or other applicable disability benefits to the Employer will result in the termination of the leave under Section 1.

Section 6. State-paid coverage for life insurance and state payments toward coverage for health benefits as provided in Articles 19 and 20, will continue for the period of time that the employee is on leave under Sections 1 and 12.

Section 7. An employee has the right to return to a position in the same or equivalent classification held before being disabled, for a period of up to three years from the date the injury occurred provided the employee is fully capable of performing the duties of that position, subject to the furlough provisions of Article 24, Seniority. This guarantee expires if the disability ceases prior to the expiration of the three year period and the employee does not return to work immediately or if the employee retires or otherwise terminates employment. During the period of time between the end of the leave under Section 1 or Section 12, where applicable, and the end of the guarantee in this Section, the employee will be on leave without pay.

Disabled employees receiving workers' compensation will be notified 90 days prior to the expiration of the three year period. The notification will include information concerning the

employee's right to apply for disability retirement, if eligible. If the employee does not receive 90 days notice, the employee's right to return will not be extended. However, the leave without pay will be extended for 90 days from the date of notification to enable the employee, if eligible, to apply for disability retirement.

The right of return for temporary employees shall be limited to the scheduled duration of the temporary employment.

Section 8. The compensation for disability retirement arising out of work-related injuries shall be in accordance with the State Employees' Retirement Code.

Section 9. An employee who sustains a work-related injury, during the period of this Agreement, if so determined by a decision issued under the operation of the Workers' Compensation program, may use sick, annual or personal leave for the purpose of continued medical treatment of the work-related injury in accordance with Articles 7, 8, and 9. If no paid leave is available, an employee may use leave without pay. Each absence shall not exceed the minimum amount of time necessary to obtain the medical treatment. Employees shall make reasonable efforts to schedule medical appointments during non-work hours or at times that will minimize absence from work. Verification of the length of the medical appointment may be required. This Section is not applicable to any absence for which workers' compensation is payable. When workers' compensation is payable, the provisions of Section 1 shall apply.

Section 10. Sections 4, 6 and 8 of this Article shall not apply to temporary employees.

Section 11. Sections 1 through 10, and 12 of this Article shall not be applicable to employees whose injuries are within the scope of either Act 193 of 1935, P.L. 477, as amended or Act 632 of 1959, P.L. 1718, as amended.

Section 12. An employee who is disabled due to a recurrence of a work-related injury after three years from the date the injury occurred, or before three years if the leave entitlement in Section 1 has been depleted, shall be entitled to use accumulated leave and injury leave without pay while disabled for a period of up to 12 weeks. To be eligible to use injury leave without pay, the employee must have been at work at least 1250 hours within the previous 12 months. The 12 week period will be reduced by any other leave used within the previous 12 months that was designated as leave under the provisions of the Family and Medical Leave Act. If only accumulated leave is used, it may be used beyond 12 weeks until exhausted or until the disability ceases, whichever occurs sooner. While using accumulated leave, the leave will be charged and paid in accordance with Section 1.

Section 13. It is understood by both parties that the provisions of this Article are consistent with the Family and Medical Leave Act of 1993, USC Section 2601 et seq. and that leave granted in accordance with Sections 1 and 12 shall be designated as leave under the provisions of the Act.

Section 14. It is understood by both parties that the provisions of this Article are consistent with the Americans with Disabilities Act and the Pennsylvania Human Relations Act, 43 P.S.

Sections 951 et seq.

ARTICLE 31  
MANAGEMENT RIGHTS

Section 1. It is understood and agreed that the Commonwealth, at its sound discretion, possesses the right, in accordance with applicable laws, to manage all operations including the direction of the working force and the right to plan, direct, and control the operation of all equipment and other property of the Commonwealth, except as modified by this Agreement.

Matters of inherent managerial policy are reserved exclusively to the Commonwealth, which shall include but shall not be limited to such areas of discretion or policy as the functions and programs of the Commonwealth, standards of service, its overall budget, utilization of technology, the organizational structure, and selection and direction of personnel; subject, however, to the provisions of Article 32, Consultation, and except as modified by this Agreement.

Section 2. The listing of specific rights in this Article is not intended to be nor should be considered restrictive or a waiver of any of the rights of management not listed and not specifically surrendered herein whether or not such rights have been exercised by the Commonwealth in the past.

ARTICLE 32  
CONSULTATION

Section 1. Committees of the Federation shall meet the chief management official of the separate employing Commonwealth agencies, or authorized designees, to discuss matters of policy affecting wages, hours and terms and conditions of employment and matters relating to the implementation of this Agreement and other problems of the employee-management relationship. At the request of either party, a labor/management committee meeting shall be held not more than one each month at a time and date mutually agreed upon. By mutual consent of the parties, more frequent meetings may be held upon request of either party. An agenda shall be prepared by the requesting party and forwarded to the other party at least five working days prior to each meeting.

Section 2. Meetings shall be scheduled during the regular work day at a mutually satisfactory time. The Federation representatives shall suffer no loss of salary for attendance at these meetings.

Section 3. The Employer shall not, take any action changing or establishing any policy or practice affecting the conditions of employment without a prior "meet and discuss" with the Federation.

Section 4. A joint Federation-Commonwealth committee comprised of equal numbers of members representing each group (not exceeding three persons from each group) shall meet for the purpose of recommending criteria for evaluating and promoting employees in this unit. In addition

the Committee will meet and discuss, upon request, over any issues arising under Article 38 which are not subject to the grievance and arbitration procedure.

ARTICLE 33  
EQUAL EMPLOYMENT OPPORTUNITY

Section 1. If any provision of this Agreement is in conflict with Federal Executive Orders 11246 and 11375, as amended, the Civil Service Rights Act of 1964, and all laws and rules relating to the Commonwealth's Equal Employment Opportunity Program, and the Americans with Disabilities Act, the provisions of aforementioned Orders, laws and implementing regulations shall prevail.

Disputes regarding the application and implementation of the Orders, laws and implementing regulations shall be subject to arbitration.

This provision does not constitute a waiver of rights under Act 195.

ARTICLE 34  
CLASSIFICATION

Section 1. The position classification plan, as established and maintained by the Employer, consists of a schedule of classification titles with classification specifications for each classification which define and describe representative duties and responsibilities and sets forth the minimum requirements and qualifications essential to the work of the classification. If an employee considers their permanent position to be improperly classified, the employee may process an appeal for a reallocation of their position through the grievance procedure set forth in this Agreement, except that Step 5, Arbitration, shall be replaced by Section 2 of this Article.

When the employee submits a grievance to Step 1, the employee shall attach to the grievance a description of the job. Employer determinations prior to Step 4 can be reversed by the Office of Administration.

If a determination is made by the Employer in the course of an employee appeal that a position should be upgraded, the employee shall be promoted retroactively to the date the grievance was filed in writing.

If a final determination is made by the Employer in the course of an employee appeal or an Employer-initiated classification review that a position should be downgraded, the employee shall be demoted to the proper classification and pay scale group at the nearest level (step) not greater than the employee's current salary. If the employee's salary is greater than the maximum level (step) of the lower pay scale group, there shall be no reduction in salary. The effective date of the classification change shall be the first day of the first pay period subsequent to the response.

If a final determination is made by the Employer in the course of an employee appeal or an Employer-initiated classification review that a position should be reclassified to another class in the same pay scale group, the effective date of the classification change shall be the first day of the first pay period subsequent to the response.

Section 2. The Federation, in response to an unfavorable decision at Step 4 may submit classification appeals to an arbitration panel. The panel shall consist of three members; one member appointed by the Employer, one member appointed by the Federation, and a third member selected jointly by the parties. The third member shall not be affiliated, directly or indirectly, with any labor organization or be an employee of the Commonwealth and must be knowledgeable in the field of position classification.

The panel shall neither add to, subtract from nor modify the provisions of this Article, nor recommend any alterations or revisions to the Commonwealth's classification and compensation plans. The panel shall be confined to deciding the proper classification in the then existing classification plan for the position in dispute.

The findings of the panel shall be submitted to the parties within 30 days after the hearing or receipt of transcript when taken. The determination of the panel shall be final and binding in those cases where an employee's position is downgraded as a result of an employee appeal or an Employer-initiated classification review. In all other cases, the decision of the panel shall be advisory only as to the Employer.

Section 3. The Federation recognizes the right of the Employer to direct its working forces, which includes the assignment of work to individual employees, and it further recognizes that such assignments may include work outside an employee's classification. However, it is understood that assignments outside of classification shall be made in a manner consistent with the Employer's operations and organizational requirements.

Whenever an employee temporarily is charged to perform in general the duties and responsibilities of a position in a higher rated classification that are separate and distinct from those of the employee's own position for a period of five full cumulative days in a quarter, the employee shall be compensated retroactive to the time the assignment took place, at an amount equal to four and one-half percent of the employee's current rate of pay, or at the starting rate of the pay scale group for the higher classification, whichever is greater. Employees who are charged to perform higher class work for a full day and who take leave for a portion of that day will be compensated, in increments of 1/4 hour, for the partial day worked in the higher class after the five full day threshold has been met. An employee, while temporarily working and being paid in a higher class will also be paid at a higher rate for a holiday provided the employee is charged to perform the higher level duties on the employee's scheduled work day immediately before and immediately after such holiday and is paid at the higher rate on those days. The holiday shall not count toward the requirement for five full cumulative days in a quarter. Once the requirement for the five full cumulative day threshold has been met, payment will be included in the employee's biweekly paycheck. If the position is filled permanently by other than the employee temporarily filling the

position, the employee temporarily assigned shall be returned to the previous position and compensation, but shall receive any increments and service credits to which they would have been entitled had they remained in their normal assignment. An employee or employees shall not be temporarily assigned to perform in general the duties and responsibilities of a position in a higher rated classification for more than nine continuous months or the length of the leave of absence of the employee being replaced, whichever is greater.

In addition, if the Employer assigns an employee on a temporary basis to a lower classification or if an employee performs some duties and functions assigned to a lower classification, the employee so assigned shall receive the compensation of the higher level to which regularly assigned. The Employer, however, at any individual work site shall make such assignments on a non-discriminatory basis so as to equalize the same among employees within the classification from which assignments are made, so long as such equalization does not interfere with efficient operating procedures.

Grievances arising from Section 3 of this Article shall be submitted in writing and the employee shall attempt to include the dates on which the alleged out of class work occurred and a description of the alleged higher level work performed. The failure of the employee to provide the required information will not affect the validity of the grievance. Grievances pertaining to this Section may be processed through an arbitration panel consisting of one Federation staff member, one staff member of the Employer, and one permanent arbitrator jointly selected by the parties who is knowledgeable in the field of position classification. The decision of the arbitration panel shall be final and binding.

For the purpose of this Section, the calendar quarters shall be defined as beginning with the first full pay period in January through March 31, April 1 through June 30, July 1 through September 30, and October 1 through the last full pay period of the leave calendar year, which is the pay period that includes December 31.

Section 4. Under Sections 2 and 3 above, all fees and expenses of the arbitrator shall be divided equally between the parties except where one of the parties of this Agreement requests a postponement of a previously scheduled arbitration meeting which results in a postponement charge. The postponing party shall pay such charge unless such postponement results in a settlement of the appeal in which event the postponement charge shall be divided equally between the parties. A postponement charge resulting from a joint postponement request shall be shared equally by the parties. Each party shall bear the costs of preparing and presenting its own case. Either party desiring a record of the proceedings shall pay for the record and make a copy available without charge to the arbitrator.

Section 5. The Employer agrees to furnish a copy of the current job specifications and pay scale groups of each position certified as within this bargaining unit and of all subsequent changes thereto.

Section 6. The Employer and the Federation agree to create a Job Evaluation Committee. The Committee will perform the following functions:

- a. Compress the existing Classification Plan consistent with pay equity principles;
- b. Review the creation of new classifications; and
- c. Review modifications to the compressed plan.

Any dispute over job specifications content or pay scale group will be submitted to an Arbitration Panel within 45 days of the submission of the issue to the Job Evaluation Committee. The Arbitration Panel shall be composed of three members; one appointed by the Federation, one appointed by the Employer and the third to be mutually agreed upon or selected from a list of arbitrators supplied by the Pennsylvania Bureau of Mediation. The decision of the Panel shall be advisory to the parties to this Agreement.

### ARTICLE 35 DISCHARGE, DEMOTION, SUSPENSION, AND DISCIPLINE

Section 1. The Employer shall not demote, suspend, discharge or take any action against an employee without just cause. A demotion, suspension or discharge may be appealed beginning at the third step of the grievance procedure, subject to any conditions set forth in the grievance procedure. Other disciplinary action may be appealed beginning at the first step of the grievance procedure. The Federation shall be notified in writing by the Employer of any suspension, discharge or demotion, provided such demotion is the result of a disciplinary action. The requirements to notify the Federation will not be applicable if the Federation has not informed the agency or institution in writing of the applicable individual who will act on behalf of the employee involved. The failure of the Employer to comply with the preceding notification requirements will not affect the validity of the action, but will suspend the time period set forth in Step 1 of Section 2 of Article 22, Grievances and Arbitration, until the notification is received.

Section 2. Any action instituted under Section 1 of this Article shall be implemented within a reasonable period of time after the event giving rise to such action or knowledge thereof.

Section 3. The provisions of this Article shall not apply during the initial 180 calendar days of employment. The probationary period can be extended by written agreement between the Employer and the Federation for an additional 180 calendar days, during which time Section 1 shall not apply. Periods of leave without pay and periods of time during which an employee is using paid leave to supplement workers' compensation, shall not count toward the initial 180 calendar days or any extension period.

Section 4. The Employer and the Federation agree to the alternative forms of discipline in lieu of suspension actions program in accordance with the side letter dated June 14, 1999.

ARTICLE 36  
NON-DISCRIMINATION

Section 1. Both the Employer and the Federation agree not to discriminate against any employee on the basis of race, religious creed, color, gender, marital status, age, national origin, disability, sexual orientation, Federation membership, AIDS or HIV status, or political affiliation.

ARTICLE 37  
PEACE AND STABILITY

Section 1. It is understood that there shall be no strike, as that term is defined under the Public Employe Relations Act, during the life of this Agreement, nor shall any officer, representative or official of the Federation authorize, assist or encourage any such strike during the life of this Agreement.

Section 2. Should a strike occur not authorized by the Federation, the Federation within 24 hours following the request of the Commonwealth shall:

- a. Publicly disavow such action by the employees.
- b. Advise the Employer in writing that such employee action has not been authorized or sanctioned by the Federation.
- c. Post notices on all bulletin boards customarily used for posting Federation business advising employees that it disapproves of such action and instruct them to return to work immediately.

Section 3. The Commonwealth will not engage in any lockout during the life of this Agreement.

ARTICLE 38  
PROFESSIONAL STATUS

Section 1. The employees in this unit are professional employees in the educational and cultural fields. As professional employees, it is understood that their work is predominantly intellectual and varied in character; requires consistent exercise of discretion and judgment; and requires knowledge of an advanced nature produced by specialized study. Because of the multitude of jobs within this bargaining unit as well as the variety of task assignments, the relationship between these professional employees and their supervisors will not always be uniform. Generally, whenever feasible, certain basic concepts should be present in this relationship. Among these are the following:

- a. The professional employee should perform task assignments with a minimum of supervision.
- b. The professional employee should be given broad discretion in developing solutions to problems, consistent with the needs of management.
- c. A professional employee who is charged with the implementation of a program should have an opportunity to participate in the planning stages for the program.
- d. The professional employee is expected to continually reevaluate a program and to recommend changes when necessary.

Both parties recognize that the provisions of this Section represent goals and, as such, are not subject to the grievance and arbitration article.

Section 2. A professional employee who has an academic title shall not be restricted in the use of such title in the course of his Commonwealth employment.

#### ARTICLE 39 MISCELLANEOUS PROVISIONS

Section 1. In the event that any provision of this Agreement is or shall at any time be held to be contrary to law by a court of last resort of Pennsylvania or of the United States or by a Court of competent jurisdiction from whose judgment or decree no appeal has been taken within the time provided for doing so, then such provision shall not be applicable or performed or enforced except to the extent permitted by law. All other provisions of the Agreement shall remain in full force and effect. In the event any provision of this Agreement is or shall be held contrary to law as stated above the parties shall meet within 10 calendar days for the purpose of negotiating a substitute provision.

Section 2. The Commonwealth and the Federation acknowledge that this Agreement represents the results of collective negotiations between said parties conducted under and in accordance with the provisions of the Public Employe Relations Act and constitutes the entire agreement between the parties for the duration of the life of said Agreement; each party waiving the right to bargain collectively with each other with reference to any other subject, matter, issue, or thing whether specifically covered herein or wholly omitted here from and irrespective of whether said subject was mentioned or discussed during the negotiations preceding the execution of this Agreement.

Section 3. In the event that any provision of this Agreement requires legislative action to become effective, including but not limited to the amendment of existing statutes, the adoption of new legislation, or the granting of appropriations, it shall become effective only as such legislative action is taken. The parties, however, mutually agree to make recommendations to the Legislature

which may be necessary to give force and effect to the provisions of this Agreement.

Section 4. Employees desiring to transfer to other positions shall submit a written request to their immediate supervisor stating the reasons for the requested transfer. If the Employer in its sole discretion agrees to such transfer, the employee shall be entitled to maintain whatever seniority rights that are appropriate.

#### ARTICLE 40 FAMILY CARE LEAVE

Section 1. After completing one year of service, permanent employees shall be granted, upon written request, up to six months of family care leave without pay with benefits, on a rolling twelve month year basis, for the purpose of attending to the medical needs of a spouse, parent, son or daughter or other person qualifying as a dependent who has a serious health condition, as defined by the Family and Medical Leave Act, provided the employee has at least 1250 hours of actual work time within the twelve months preceding the commencement of the leave. Leave under this Section shall be approved on an intermittent or reduced-time basis during the first twelve weeks of absence per rolling twelve month year. After twelve weeks of absence, whether taken intermittently, on a reduced-time basis, or continuously, subsequent leaves in the rolling twelve month year shall not be approved for periods less than two consecutive weeks.

The request, which shall be submitted at least two weeks in advance if circumstances permit, must include documentation supporting the need for Family Care Leave.

One aggregate six month entitlement of leave without pay with benefits will be provided for family care leave without pay used under this Section, sick leave without pay used under Article 11, Section 3.a., and parental leave without pay used under Article 15, Section 1.a. Leave used under these Articles will be deducted from the six month entitlement and run concurrently.

After the employee has used an aggregate of six months of leave without pay with benefits under this Section, Article 11, Section 3.a., and/or Article 15, Section 1.a., the Employer is not required to grant subsequent leave without pay with benefits until such time that the employee again becomes eligible for some portion of the six month entitlement under the rolling twelve month year, provided that the employee has at least 1250 hours of actual work time within the twelve month period preceding commencement of the leave.

The continuation of benefits under this Section is subject to the employee's payment of any required employee contribution under Article 19, Section 3.

Section 2. State payments toward coverage for health benefits and State-paid coverage for life insurance as provided in Articles 19 and 20 will continue for the period of time the employee is on family care leave without pay with benefits under Section 1 of this Article.

Section 3. Upon request of the employee, an extension of up to an additional six months of leave without pay shall be granted provided the employee provides proof of the family member's continuing illness or disability. The extension shall be without benefits and shall be contiguous to the termination of the initial six months of leave without pay with benefits. It shall not be used on an intermittent or reduced-time basis.

Section 4. If eligible for paid sick leave, an employee shall be required to use all paid sick leave upon commencement of family care leave without pay. Such sick leave used will run concurrently with and reduce the six month entitlement to leave without pay with benefits. Employees shall not be required to use annual, personal, compensatory or holiday leave upon commencement of leave without pay; however, if annual, personal or holiday leave is used, it also will run concurrently with and reduce such entitlement.

Section 5. An employee shall have the right to return to the same position in the same classification held before going on Family Care Leave, or to an equivalent position with regard to pay and skill for absences under Section 1 of this Article. After commencing the extension period under Section 3 of this Article and upon receipt of a written request to return to work, the employee shall be offered a position in the same classification and seniority unit for which a vacancy exists and to which there are no seniority claims and which the agency intends to fill. If such a position is not available, the employee shall be offered, during the remainder of the six-month period, any position in the same classification, in a lower classification in the same classification series, or a position previously held, within the same geographical/organizational limitation as the seniority unit, for which a vacancy exists and to which there are no seniority claims and which the agency intends to fill. If the employee refuses an offer of a position in the same classification, the employee's rights under this Section shall terminate. If the employee accepts a position in a lower classification or a position previously held, the employee will be offered a position in the same classification if there is a vacancy in that classification during the remainder of the six-month period in the seniority unit, provided there are no seniority claims to the position, and the agency intends to fill the position.

Section 6. For the purpose of this Article, parent shall be defined as the biological parent of the employee or an individual who stood in loco parentis to an employee when the employee was a son or daughter.

For the purpose of this Article, son or daughter shall be defined as a biological, adopted, or foster child, step-child, legal ward, or child of a person standing in loco parentis or a biological or adopted child of the employee's domestic partner who is:

- (a) under 18 years of age; or
- (b) 18 years of age or older and incapable of self-care because of a mental or physical disability.

Section 7. It is understood by both parties that the provisions of this Article are consistent with the Family and Medical Leave Act of 1993, 29 USC Section 2601 et seq.

Section 8. This Article becomes effective January 1, 2008. Absences occurring before January 1, 2008 shall be covered by the provisions of Article 40, Family Care Leave, of the Agreement between the Commonwealth of Pennsylvania and FOSCEP effective July 1, 2003 through June 30, 2007.

Section 9. For the purpose of this Article, domestic partner shall be defined as a same sex domestic partner who meets the eligibility criteria established by the Commonwealth.

#### ARTICLE 41 TREATMENT OF EMPLOYEES

The Employer does not condone harassment of any employee. The burden of substantiating such an allegation rests with the charging party.

Substantiated instances of such harassment will be remedied by the Employer.

Any grievance or dispute which may arise concerning this issue may be processed in accordance with Article 22 of this Agreement up to the Bureau of Labor Relations in the Office of Administration. The Bureau of Labor Relations' decision as to whether or not the charging party has substantiated that harassment has occurred will be final and binding and shall not be subject to arbitration. The appropriate remedy will be determined by the Bureau of Labor Relations, Office of Administration, in its sole discretion.

#### ARTICLE 42 PRESERVATION OF BARGAINING UNIT WORK

Section 1. The provisions of Sections 1 through 6 of this Article shall apply only to bargaining unit work performed on July 1, 1996 by employees in the rank and file unit represented by the Federation in the particular agency affected.

##### Section 2

a. Except as provided in Section 7, the Employer shall not contract/assign bargaining unit work included in the scope of Section 1 to independent contractors, consultants or other non-bargaining unit state employees where (1) such contract/assignment would result in the layoff or downgrading of an employee or (2) such contract/assignment would prevent the return to work of an available, competent employee or (3) the duration of the work to be performed under the contract/assignment is expected to be more than 12 consecutive months or (4) the work is performed on an annually recurring basis; except for the reasons set forth in Subsection B.

b. The Employer may contract/assign bargaining unit work described in Subsection A. for any of the following reasons: (1) legitimate operational reasons resulting in reasonable cost savings or improved delivery of service, (2) legitimate operational reasons resulting from technological changes, (3) or where there are insufficient numbers of available, competent

employees on layoff on the applicable recall list within the agency to perform the required work.

### Section 3.

a. Except as provided in Section 7, the Employer shall not contract/assign bargaining unit work included within the scope of Section 1 which becomes available as a result of a retirement, resignation, termination, promotion, demotion or reassignment of an employee to independent contractors, consultants or other non-bargaining unit state employees except for the reasons set forth in Subsection b.

b. The Employer may contract/assign bargaining unit work described in Subsection A. for any of the following reasons: (1) legitimate operational reasons resulting in reasonable cost savings or improved delivery of service, (2) legitimate operational reasons resulting from technological changes, (3) or where there are insufficient numbers of available, competent employees on layoff on the applicable recall list within the agency to perform the required work.

Section 4. The Employer shall provide the Federation with as much advanced notice as possible of a proposed contract/assignment of bargaining unit work included within the scope of Section 1 which meets the conditions set forth in Sections 2a. or 3a.

Section 5. At each site where a proposed contract/assignment of bargaining unit work is to occur and provided the work is included within the scope of Section 1 and meets the conditions set forth in Sections 2a. and 3a. local labor/management committees shall meet and discuss over the reasons for the contract/assignment. At this meeting the Employer shall provide to the Federation all information it has to support a claim (a) of reasonable cost saving or improved service (b) of legitimate operational reasons resulting from technological changes, (c) that there are insufficient numbers of available, competent employees on layoff on the applicable recall list within the agency to perform the required work, or (d) that the duration of the contract/assignment is not expected to exceed 12 consecutive months duration. The Federation shall have the opportunity to provide alternative methods to attaining the Employer's desired result. In the event that the parties at the local level are unable to resolve the issue, the contract or the assignment made may be implemented and the matter shall be referred to a committee comprised of the Federation, the Agency and the Office of Administration. Should the parties be unable to resolve the issue, the Federation shall notify the Office of Administration in writing of its intent to submit the matter to the grievance procedure.

Section 6. The Employer agrees to meet and discuss regarding any contract/assignment involving work of the type traditionally performed by employees covered by the bargaining unit, but excluded by Section 1 of this Article, upon request of the Federation and presentation by the Federation of an alternative which may result in reasonable cost savings or improved delivery of service.

Section 7. Non-FOSCEP represented state employees may perform bargaining unit work for the purpose of instruction, illustration, lending an occasional hand or in emergency situations to carry out the functions and programs of the Employer or maintain the Employer's standard of

service, except as provided in the sideletter between the parties dated November 21, 1996.

Section 8. The Employer and the Federation acknowledge the above represents the results of negotiations conducted under and in accordance with the Public Employee Relations Act and constitutes the full and complete understanding regarding the issues of contracting out and transfer of bargaining unit work.

ARTICLE 43  
COMMITTEE ON POLITICAL EDUCATION DEDUCTIONS

Section 1. The Employer agrees to deduct from the paycheck of employees covered by this Agreement voluntary contributions to the Federation's Committee on Political Education. The Employer shall make such deductions only in accordance with the written authorization of respective employees which shall specify the amount, frequency and duration of the deductions.

Section 2. The Employer shall transmit the monies deducted in accordance with this Article to the Federation's Committee on Political Education in accordance with the procedures agreed to by the Employer and the Federation.

Section 3. The Federation shall reimburse the Employer for the Employer's actual cost for the expenses incurred in administering this Article.

Section 4. The Federation shall indemnify and hold the Commonwealth harmless against any and all claims, suits, orders, or judgments brought or issued against the Employer as a result of the action taken or not taken by the Employer under the provisions of this Article.

ARTICLE 44  
LEAVE DONATION PROGRAM

Section 1. Permanent employees may donate annual and personal leave to a designated permanent employee in the employee's agency who has used all accrued and anticipated paid leave for the current leave calendar year. The leave is to be used for the recipient's own catastrophic injury or illness or for the catastrophic injury or illness of a family member. The leave also may be used as bereavement leave if the employee's family member dies and the employee has no accrued or anticipated sick leave available, subject to the limitations in Article 9, Section 6.

Section 2. Recipients

a. Recipients must be permanent employees in bargaining units that have agreed to participate in this program.

b. Family member is defined as a husband, wife, domestic partner, child, step-child,

foster child, or parent of the employee or any other person qualifying as a dependent under IRS eligibility criteria or the child of the employee's domestic partner.

c. A catastrophic illness or injury that poses a direct threat to life or to the vital function of major bodily systems or organs, and would cause the employee to take leave without pay or terminate employment, must be documented on a Family and Medical Leave Act Serious Health Condition Certification form. Donated leave may not be used for work-related injuries or illnesses; minor illnesses, injuries, or impairments; sporadic, short-term recurrences of chronic, non-life threatening conditions; short-term absences due to contagious diseases; or short-term recurring medical or therapeutic treatments, except for conditions such as those listed above.

d. The absence due to the catastrophic illness or injury of the employee or a family member must be for more than 20 workdays in the current leave calendar year. The 20-workday absence may be accumulated on an intermittent basis if properly documented as related to the same catastrophic illness or injury. Annual, personal, sick (for employee's own serious health condition), sick family (for the serious health condition of a family member), holiday, compensatory, or unpaid leave may be used during the accumulation period. A separate accumulation period must be met for each catastrophic illness or injury and for each leave calendar year in which donated leave is used. Donated leave may not be applied to the required 20-workday accumulation period.

e. All accrued leave must be used as follows before any donation may be received:

(1) For an employee's own catastrophic injury or illness, all accrued annual, sick, personal, holiday, and compensatory leave and all anticipated annual and sick leave for the current leave calendar year must be used.

(2) For the catastrophic injury or illness of a family member, all accrued annual, personal, holiday, and compensatory leave and all anticipated annual leave for the current leave calendar year must be used. All five days of sick family leave and any additional sick family leave for which the employee is eligible must be used.

f. Up to 12 weeks of donated leave per leave calendar year may be received for all conditions of the employee and family members cumulatively, but donations may not be received in more than two consecutive leave calendar years. Donated leave is added to the recipient's sick leave balance on a biweekly basis. Recipients do not repay the donor for donated leave. Leave usage is monitored closely to ensure that donated leave is used only for absences related to the catastrophic illness or injury.

g. The recipient's entitlement to leave under the Family and Medical Leave Act will be reduced by donated leave that is used. Entitlements to sick leave without pay (for an employee's own illness) or family care leave without pay (for a family member's illness) will also be reduced.

h. Donated leave may be used on an intermittent basis. However, each absence may be

required to be medically documented as due to the same catastrophic illness or injury.

i. An employee is not eligible to receive donations of leave if, during the previous six months, the employee has been placed on a written leave restriction, or has received a written reprimand or suspension related to attendance.

j. Donated leave that remains unused once the employee is released by the physician for full-time work, when the family member's condition no longer requires the employee's absence, or at the end of the leave calendar year, must be returned to the donors in inverse order of donation. However, if at the end of the year, the absence is expected to continue beyond the greater of 20 workdays or the amount of annual and sick leave that could be earned and used in the following leave calendar year, donated leave may be carried into the next year.

### Section 3. Donors

a. A donor may voluntarily donate annual and personal leave to an employee within the donor's agency who meets the requirements of the Leave Donation Program. Donations may be made to multiple employees, as long as the minimum donation is made to each employee.

b. Donations must be made in increments of one day (7.50 or 8.0 hours), but not more than five days can be donated to any one employee in the same leave calendar year. The donor's annual leave balance after donation cannot be less than the equivalent of five workdays of leave (37.5 or 40.0 hours). Anticipated personal leave may not be donated.

c. The donation is effected by the completion and submission of a Request to Donate Leave to the agency Human Resource Office. Leave is deducted from the donor's annual and/or personal leave balance at the time of donation and transferred to the recipient in order by the date and time the Request to Donate Leave form is received.

d. Unused donations are returned to the donor if: the recipient or family member recovers, dies, or separates before the donor's leave is used; or if the recipient does not use the leave by the end of the leave calendar year, and is expected to either return to work within 20 workdays or to have sufficient anticipated leave available in the new year to cover the absence. In accordance with Section 1 above, an employee whose family member dies and who does not have accrued or anticipated sick leave available, may use donated leave as bereavement leave, subject to the limitations in Article 9, Section 6.

Section 4. The provisions of this Article are not grievable under Article 22 of this Agreement.

Section 5. For the purpose of this Article, domestic partner shall be defined as a same sex domestic partner who meets the eligibility criteria established by the Commonwealth.
