

SERS Act 5-Pension Reform Timekeeper Guide

This guide is designed to assist timekeepers with the new process, effective January 1, 2019, of coding mandated overtime in CATS using the Overtime Compensation (OC) field.

Tips and Tricks – below are some reminders to keep in mind when reviewing and coding timesheet entries:

1. Mandatory overtime (known as “Mandated” in SAP) must be coded in CATS using the Overtime Compensation (OC) field. A list of the reason codes is included in the appendix at the end of this guide. Overtime not coded with the “X – Mandated OT” reason code will be assumed voluntary.
2. If an employee works more than one overtime assignment in a day, and one assignment is mandated, and the other is not, it will be necessary to code the assignments separately.
3. Effective January 1, 2019, any attendance types associated with the employee’s regular shift are considered mandated (100% retirement covered). In some cases, the system will generate the mandated wage type even if the OC indicator is not coded with the “X”.
 - a. HT6 (Hol .50-Mandated) – wage type 2643
 - b. IT6 (Insuff Time .50-Mandated) – wage type 2655

In other cases, it may be necessary to code the attendance type as “Mandated”. For example:

- a. DIFF-S1 (SDiff 1.0/PSP SD-5%-Mandated) – wage type 2680/2485
- b. DIFF-S2 (PSP SD-6%-Mandated) – wage type 2686
- c. DIFF-P3 (SDiff-1.0 Prem) – wage type 2681

Therefore, except for HT6 and IT6, our recommendation is to code any other attendance types associated with the regular shift as mandated.

4. Walk Time (DOC) is always considered to be mandated and must be manually coded.

Included in this guide are examples of overtime scenarios showing a completed timesheet (CATS) and the resulting wage types (PT_BAL00) that generated:

- Scenario 1 – Cutover Mandated & Voluntary OT
- Scenario 2 – Mandated OT
- Scenario 3 – Mandated & Voluntary OT
- Scenario 4 – Higher Class without OT
- Scenario 5 – Higher Class with Mandated & Voluntary OT
- Scenario 6 - Work on a Holiday
- Scenario 7 - Insufficient Return Time (also known as Lap Time) - IT6
- Scenario 8 - Mandated & Voluntary OT with Walk Time (DOC)
- Scenario 9 - FTE Mandated & Voluntary OT
- Scenario 10 - FTE Higher Class with OT
- Scenario 11 – Kronos Voluntary & Mandated OT

Scenario 1 - Cutover Mandated & Voluntary OT: 7.5-hour AFSCME employee (PSA AJ11) whose scheduled work shift is 1500-2300 works OT on 12/31/18, 1/2/19 and 1/4/19. The OT hours worked on 1/2/19 are mandated, and the OT hours worked on 1/4/19 are voluntary.
