RE: Modification of Appendix G, Section 3  
Regional Joint Area Committees

Dear Ms. Wolf-Maloney:

As a result of our discussions, the commonwealth proposes to modify the agencies assigned to the Joint Area Committees under Appendix G of the current Master Agreement and Master Memorandum between AFSCME Council 13 and the Commonwealth of Pennsylvania. These changes are due to the Commonwealth's HR/IT Shared Services Initiative and the development of the HR/IT Delivery Centers. The attached document reflects the proposed composition of each committee effective January 1, 2018.

Please feel free to contact me with any questions. Otherwise, you may execute this understanding and return it to me for implementation.

Sincerely,
