Carole Speese	717-886-9166	cspeese@pa.gov
Steve Pakosh	717-886-9164	spakosh@pa.gov
Sharon Flory	717-886-9167	sflory@pa.gov
Amy Zacks	717-886-9153	azacks@pa.gov
Rachel Shearer	717-886-9154	racshearer@pa.gov

Arranging Committee Training Assistance: Training for all committee members is required for both initial workplace safety committee certification and for annual certification renewal. The three required topics are accident investigation, hazard inspection and safety committee operation.

To arrange for **free** training, contact the Bureau of PennSAFE.

Schedule Classes	717-783-2071	888-SAFE-422
Obtain class information	717-783-2071	888-SAFE-422
Barb Dychala, Division Chief	717-787-9383	bdychala@pa.gov

Contact your workers' compensation insurance company.

Insurance companies that write workers' compensation in PA are required to provide committee member training in the three required topics for certification. The company may or may not charge for this service.

Report Processing & Audit Section

Bill Keefer, Manager	717-772-1636	wilkeefe@pa.gov

Larry Sherfey	717-886-9158	lsherfey@pa.gov
Glenn Parsons	717-886-9157	gparsons@pa.gov
Michelle Kafkalas	717-886-9156	mkafkalas@pa.gov

For More Information about the Health & Safety Division's Processes and Requirements for the Hands System, go to our website at: www.dli.state.pa.us. In the center of the page select "Workers' Compensation". On the left side, in the light blue bar, select Health and Safety. Information on the following programs are also available at this site:

"WorkSAFE PA" -- Pennsylvania's overall initiative to increase workplace safety including information about the **Governor's Award for Safety Excellence** and a nomination form.

"Return-to-Work" – A prototype program which outlines the essential implementation steps and includes sample forms and procedures.

You can also email the Health and Safety Division at Ra-LI-bwc-SAFETY@pa.gov or contact any of the Division personnel listed above.
